Dear Mr. Baird:

The U.S. Naval Intelligence School conducts a course of instruction five times a year for Naval Attaches prior to their departure for overseas assignments. In previous years, to supplement the Attache Orientation Course, the Central Intelligence Agency has provided guest lecturers. To assist in meeting the objectives of this course, the services of guest speakers from the Central Intelligence Agency are again requested.

Specifically, it would be greatly appreciated if speakers can be made available as follows:

1300 - 1400, 6 December 1961	Industrial Identification
1330 - 1630, 7 December 1961	Sketching as an Aid in Reporting
0940 - 1200, 22 December 1961	Special Field Relationships

The above times have been discussed informally with each speaker. This confirms schedules made based on verbal permission of  to make these preliminary arrangements. LCDR J.G. I wish to express my appreciation to each of the requested speakers for making their contributions to past Attache Orientation Classes and to you, for making their services available. Their presentations have always been comprehensive, highly knowledgeable, and given in an extremely effective manner; they have contributed materially to the overall success of the Naval Attache briefing program.
